www.awrestaurants.com

Nutritional information provided in this brochure is based on representative values provided by suppliers, published resources, analysis using industry standard software and testing conducted in accredited laboratories. Information is expressed in values based on federal rounding and other applicable regulations.

A&W Restaurants, Inc. cannot guarantee the nutritional information provided in this brochure is fully accurate as it relates to the prepared menu items in all of our restaurants. Our menu items are made to order by hand. This may cause slight variations in serving sizes which may affect the nutrition values for each product.

Recommended limits for a 2,000 calorie daily diet are 20 grams of saturated fat and 2,300 milligrams of sodium.
